Internal Quality Assurance Cell (IQAC) initiatives, strategies, contributions and implementations

The primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic, research and administrative performance of the institution. The Internal Quality Assurance Cell (IQAC), established in accordance to NAAC guidelines, aim to work towards quality sustenance and enhancement of the academics by inculcating moral values and developing high Quality Pharma Professionals. The IQAC Committee includes all stakeholders of the Institute, i.e. students, alumni, all Department Heads also including the Library, Sports, Students Hostel, Examination & Evaluation, co-curricular and extra-curricular activities, members of the Management and Administration, and members of local community and industry experts.

IQAC Quality initiatives:

- Strong implementation of Mentor-mentee system (pursuing mentor-mentee interaction reports and Mentoring review and resolutions).
- Reviewing and Perusal of Feedback analysis data.
- Participation in NIRF ranking process.
- Coordinating, reviewing and maintaining standards required for NAAC & NBA.
- Scrutinization of all college committee activities for the welfare of the institute stake holders.
- Attainment of course outcomes and programs.
- Motivating the faculty towards writing research proposals.
- Collaborative activities with other institutions/hospital/industries
